Answer ([Please click here to Add Answer](#))

Elements of Free and Accessible Education

There are four key elements of free and accessible education Free and accessible education is process.

1. It is about learning how to live with difference and learning how to learn from difference.
2. Free and accessible education is concerned with the identification and removal of barriers. It involves collecting collating and evaluating information from
3. Free and accessible education is about the presence, participation, and achievement of all students.
 - ☐ Presence means where children are educated, and how reliably and punctually they attend.
 - ☐ Participation relates to the quality of their experiences whilst they are there.
 - ☐ Achievement is the outcome of the learning.
4. Free and accessible education involves a particular emphasis on those groups of learners who may be at risk of marginalization, exclus

What role has foreign aid to play in madrassa?

page 67

Answer ([Please click here to Add Answer](#))

Fund raising is also a major issue. Some analysts believe that madaaris take funds from foreign countries to promote their agendas. It is considered that madaaris are being used as platforms for exerting influence of their favored sect(s) by foreign countries.

5.

Funding education of foreign students is an important topic of debate between the government and the madaaris. Modalities of education of foreign students in Pakistani madaaris are yet to be resolve
